**ARTICLE 11**  
**DOCUMENT POLICY**  
**THIS POLICY IS UNDER REVIEW**

The records of Great Basin Youth Soccer League (hereafter the “GBYSL”) are important assets. Records include essentially all records you produce as an employee, whether paper or electronic. A record may be as obvious as a memorandum, an e-mail, a contract or a case study, or something not as obvious, such as a computerized desk calendar, an appointment book or an expense record.

The law requires the GBYSL to maintain certain types of records, usually for a specified period of time. Failure to retain those records for those minimum periods could subject you and the GBYSL to penalties and fines, cause the loss of rights, obstruct justice, spoil potential evidence in a lawsuit, place the GBYSL in contempt of court, or seriously disadvantage the GBYSL in litigation.

The GBYSL is to fully comply with any published records retention or destruction policies and schedules, provided that all employees should note the following general exception to any stated destruction schedule: If you believe, or the GBYSL informs you, that GBYSL records are relevant to litigation, or potential litigation (i.e., a dispute that could result in litigation), then you must preserve those records until the League Attorney determines the records are no longer needed. That exception supersedes any previously or subsequently established destruction schedule for those records. If you believe that exception may apply or have any question regarding the possible applicability of that exception, please contact the League President.

From time to time the GBYSL establishes retention or destruction policies or schedules for specific categories of records in order to ensure legal compliance, and also to accomplish other objectives, such as preserving intellectual property and cost management. Several categories of documents that bear special consideration are identified below. While minimum retention periods are suggested, the retention of the documents identified below and of documents not included in the identified categories should be determined primarily by the application of the general guidelines affecting document retention identified above, as well as any other pertinent factors.

- (a) Tax Records. Tax records include, but may not be limited to, documents concerning payroll, expenses, proof of deductions, business costs, accounting procedures, and other documents concerning the GBYSL's revenues. Tax records should be retained for at least seven years from the date of filing the applicable return.
- (b) Employment Records/Personnel Records. State and federal statutes require the GBYSL to keep certain recruitment, employment and personnel information. The GBYSL should also keep personnel files that reflect performance reviews and any complaints brought against the GBYSL or individual employees under applicable state and federal statutes. The GBYSL should also keep all final memoranda and correspondence reflecting performance reviews and actions taken by or against personnel in the employee's personnel file. Employment and personnel records should be retained for six years.
- (c) Board and Board Committee Materials. Meeting minutes should be retained by the sitting Secretary.
- (d) Legal Files. Legal counsel should be consulted to determine the retention period of documents, but legal documents should generally be maintained a maximum of seven years.
- (e) Development/Intellectual Property and Trade Secrets. Development documents are

often subject to intellectual property protection in their final form (e.g., patents and copyrights). The documents detailing the development process are often also of value to the GBYSL and are protected as a trade secret where the GBYSL:

(i) Derives independent economic value from the secrecy of the information; and

(ii) GBYSL has taken affirmative steps to keep the information confidential. The GBYSL should keep all documents designated as containing trade secret information for at least the life of the trade secret.

(f) Contracts. Final, execution copies of all contracts entered into by the GBYSL should be retained. The GBYSL should retain copies of the final contracts for at least three years beyond the life of the agreement, and longer in the case of publicly filed contracts.

## **ARTICLE 12 FIELD DEVELOPMENT ACCOUNT**

Great Basin Youth Soccer League can/will maintain a separate account from the overall general operating account designated for Field Development.

**Expenditures can include the following.**

1. All field maintenance. This may include field maintenance, repairs, goals, nets, flags,

**Funding the account.**

The league will contribute each season by the following dates:

December 1

July 1

The minimum will be \$5 per actively registered player per season. If the league has a deficit season in the operating budget the Executive Board can vote to forgo the seasonal contribution. A plan must be presented to bring the league back to a break-even status by the following season.

## **ARTICLE 13 WHISTLE BLOWER POLICY**

The Organization's Code of Ethics and Conduct ("Code") requires directors, officers and employees to observe high standards of business and personal ethics in the conduct of their duties and responsibilities. As employees and representatives of the GBYSL, we must practice honesty and integrity in fulfilling our responsibilities and comply with all applicable laws and regulations.

### **Reporting Responsibility**

It is the responsibility of all directors, officers and employees to comply with the Code and to report violations or suspected violations in accordance with the Whistleblower Policy.

### **No Retaliation**

No director, officer or employee who in good faith reports a violation of the Code shall suffer harassment, retaliation or adverse employment consequence. An employee who retaliates against someone who has reported a violation in good faith is subject to discipline up to and including termination of employment. This Whistleblower Policy is intended to encourage and enable employees and others to raise serious concerns within the Organization prior to seeking resolution outside the Organization.

### **Reporting Violations**

The Code addresses the Organization's open-door policy and suggests that employees share their questions, concerns, suggestions or complaints with someone who can address them properly. In most cases, the League President is in the best position to address an area of concern. However, if you are not comfortable speaking with that person or you are not satisfied with the response, you are encouraged to speak with US Club Soccer and/or NYSA.

### **Compliance Officer and or League President**

GBYSL is responsible for investigating and resolving all reported complaints and allegations concerning violations of the Code and, at his discretion, shall advise the Executive Director and/or the Executive Board.

### **Accounting and Auditing Matters**

The Executive Board shall address all reported concerns or complaints regarding corporate accounting practices, internal controls or auditing. The Compliance Officer/League President shall immediately notify the Executive Board of any such complaint and work with the committee until the matter is resolved.

### **Acting in Good Faith**

Anyone filing a complaint concerning a violation or suspected violation of the Code must be acting in good faith and have reasonable grounds for believing the information disclosed indicates a violation of the Code. Any allegations that prove not to be substantiated and which prove to have been made maliciously or knowingly to be false will be viewed as a serious disciplinary offense.

**Confidentiality**

Violations or suspected violations may be submitted on a confidential basis by the complainant or may be submitted anonymously. Reports of violations or suspected violations will be kept confidential to the extent possible, consistent with the need to conduct an adequate investigation.

**Handling of Reported Violations**

The Compliance Officer will notify the sender and acknowledge receipt of the reported violation or suspected violation within five business days. All reports will be promptly investigated, and appropriate corrective action will be taken if warranted by the investigation.

**ARTICLE 14**  
**CONFLICT OF INTEREST POLICY**

**SECTION 1**  
**PURPOSE**

The purpose of the conflict-of-interest policy is to protect the interests of Great Basin Youth Soccer League, a Nevada nonprofit corporation when it is contemplating entering into a transaction or arrangement that might benefit the private interest of an officer or member of the Executive Board or might result in a possible excess benefit transaction. This policy is intended to supplement but not replace any applicable state and federal laws governing conflicts of interest applicable to nonprofit and charitable organizations.

**SECTION II**  
**DEFINITIONS**

**SECTION 1. Interested Person-** Any member of the Executive Board, principal officer, or member of a committee, who has a direct or indirect financial interest, as defined below, is an interested person.

(b) A compensation arrangement with the Corporation or with any entity or individual with which the Corporation has a transaction or arrangement; or

(c) A potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which the Corporation is negotiating a transaction or arrangement.

A financial interest is not necessarily a conflict of interest. Under Article III, Section 2, a person who has a financial interest may have a conflict of interest only if the Board of Directors or appropriate committee decides that a conflict of interest exists.

**SECTION III**  
**PROCEDURES**

**SECTION 1. Duty to Disclose** In connection with any actual or possible conflict of interest, an interested person must disclose the existence of the financial interest and be given the opportunity to disclose all material facts to the Board of Directors and members of committees with powers delegated by the Board of Directors considering the proposed transaction or arrangement.

**SECTION 2. Determining Whether a Conflict of Interest Exists** After disclosure of the financial interest and all material facts, and after any discussion with the interested person, he or she shall leave the Board of Directors meeting or committee meeting while the determination of a conflict of interest is discussed and voted upon. The remaining Board of Directors members or committee members shall decide if a conflict

of interest exists.

### SECTION 3. Procedures for Addressing the Conflict of Interest

(b) The President shall, if appropriate, appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement.

(c) After exercising due diligence, the Board of Directors shall determine whether the Corporation can obtain with reasonable efforts a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest.

(d) If a more advantageous transaction or arrangement is not reasonably possible under circumstances not producing a conflict of interest, the Board of Directors shall determine by a majority vote of the disinterested members of the Board of Directors whether the transaction or arrangement is in GBYSL's best interest, for its own benefit, and whether it is fair and reasonable. In conformity with the above determination, it shall make its decision as to whether to enter into the transaction or arrangement.

### SECTION 4. Violations of the Conflict-of-Interest Policy

Spectators shall not intermingle with each other (avoid walking up and down the sidelines). No spectators are allowed on the team side of the field or behind either goal.

**Violations by parents or spectators of the code of conduct will result in league action and potential sanctions to the team involved. Please see Article 18 (Discipline).**

**ARTICLE 16**  
**PLAY UP / PLAY DOWN POLICY**  
**Recreational Players / Teams**

GBYSL encourages players to play in their appropriate age group. Playing in an age group higher than their actual age should be reserved for players with exceptional technical and tactical abilities. There are physical, social, and emotional ramifications to playing in higher age groups. The decision to play up should be given careful consideration by parents, coaches, and the club to ensure that it is in the best interest of the player. This policy provides guidelines for requesting Play up Approval.

**Play Up**

ALL Recreational Players - 1 year play up allowed without approval. Recreational players requesting to play 2 years up must submit a request to the Vice President - Recreational via email to [jimmy@gbysl.org](mailto:jimmy@gbysl.org) by the date determined in advance and posted to the GBYSL website for consideration of approval to play up. The player must be exceptionally good on skill and technique and have a huge impact on the team that the player will be registered.
